

## New Prescription Drug Benefit

### Expanded Prescription Drug Dispensing Formulary

With no copays or deductibles for Spirit Employees and Dependents

SolidaritUS is pleased to launch a significant expansion of our no-charge prescription drug formulary available to participating Spirit employees and dependents at our Tulsa and Owasso Health Centers. Thanks to our partnership with Spirit AeroSystems, we've been able to add 45 new and commonly used prescription medicines to the formulary, nearly doubling the list of prescription drugs we're able to dispense to Spirit Health Plan participants at no charge – *no copays or deductibles, at all.*

Please keep in mind that prescription drugs on the expanded, no-charge SolidaritUS formulary can only be dispensed to you with a prescription issued or approved by your personal SolidaritUS Health physician.

*Don't have a personal SolidaritUS physician, yet?*
